

PROMOTIONAL BOTTLE OPENERS

MF
MODERNFORMS
MEDALS & TROPHIES

Why bet on bottle openers as a promotional gadget? We're in a hurry to answer!

Practical, eye-catching, positive and brand-enhancing - this is what our **bottle openers** look like. Without a doubt - they are a type of **promotional gadget** with character. They will allow you to **promote your brand** or the **event** you are organising in an original way. They will certainly be long remembered by your business partners. And these are not their only **advantages...**

At **Modern Forms** we can create **personalised bottle openers** of **any shape, colour and size** for you - whether you want them to function as key rings or classic ones. In order to make it easier for you to choose the perfect **corporate gadgets**, we have prepared a catalogue in which we present our possibilities!

Check out our offer and choose the perfect **promotional bottle openers** tailored to your expectations. If you are looking for a unique design that relates to **your company and industry**, our team will conjure up a design that is impossible to ignore.

Our **bottle openers** are products made with the utmost care from the best quality materials. We produce them using proprietary **3D technology**, taking care of their modern and **unique design**, at the same time complying with the expectations of our customers.

BOTTLE OPENERS IN SET WITH OTHER PRODUCTS

Not only do we make customised bottle openers for our customers...

They are only part of our **broad offer**. It consists of a selection of different types of **promotional gadgets**, which can become an extraordinary way to **promote and create** awareness of a **brand** or event. We can create and personalise **bottle openers, promotional key rings and pins** on special order.

In addition, we are also Poland's leading manufacturer of **sports and business awards**. Our team makes original, designer **medals and trophies** for sports competitions and business events - both in Poland and abroad. We know no limits and like challenges, so at **Modern Forms** you will order products of any form, shape and colour.
