

PROMOTIONAL KEYRINGS

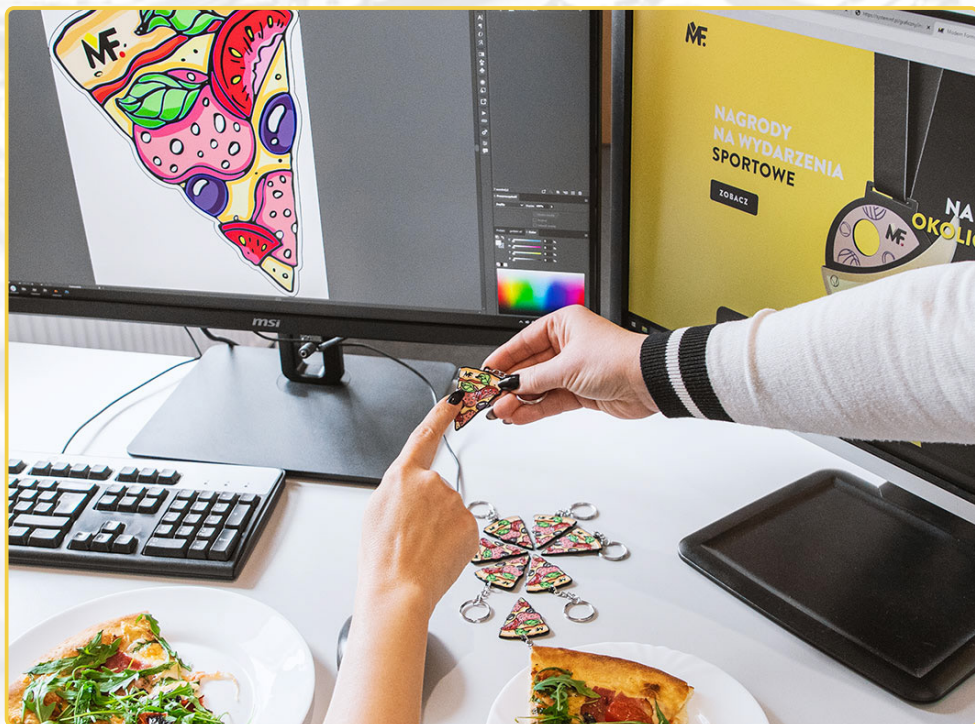

MF
MODERNFORMS
MEDALS & TROPHIES

How about personalised **keyrings** to promote your **event** in an original way and make strong impression on your **business partners**? We know it sounds appealing... That's why we have created a catalogue in which we present **our possibilities!**

Check our offer and choose the **promotional keyrings** matching your expectations. Do you need an original design, associated with **your company and industry**? Or maybe you have a more traditional approach to this type of promotional gadgets and you want a keyring **exposing the logo**? Regardless of your idea, we will be up to the task.

Our keyrings are the **highest quality** products. We produce them using our own **3D technology**, focusing on their modern and unique design, at the same time complying with the expectations of our customers.

Check out our offer for keyrings!

KEYRINGS IN SET WITH OTHER PRODUCTS

We don't just produce personalised promotional keyrings...

They are only a part of our wide offer. You will find there a selection of different **promotional gadgets**, which you can use as an ingenious and original way to **promote your brand or an event** organized by you. We can create and personalise unique **bottle openers, keyrings and pins**.

We are also a leading producer of sports and business awards. We manufacture unique **medals and trophies** for sports competitions, both in Poland and around the world. There are no limits and we are willing to take on new challenges. That's why in **Modern Forms** you can order products from 1 piece, in **any colour and shape**.

Contact us if you want to create unique awards or promotional gadgets for the participants of your event!
